

To Whom It May Concern:

My name is Cory Weaver and I am happy to recommend [REDACTED] for admissions at [REDACTED] University.

I have had the pleasure of working with [REDACTED] for the past year and a half as he prepared himself to go to the United States. He is a very diligent and conscientious person who is always pushing himself to be the best that he can be. He is respectful and humble, and displays good character in all situations, even through adversity. [REDACTED] is a key member of his soccer team in Spain and comes with high recommendations from his coaches as a player that is a leader within the team. [REDACTED] is an excellent example of both hard work and character and a person that I believe will thrive at a University like [REDACTED]. He will not only meet the standards of the University, but he will make a positive impact on the people he meets and be a role model for others to follow. I work with many students who would like to come to the United States, and I can confidently say that [REDACTED] is one of the brightest people I have had the opportunity to work with.

If there are any questions regarding [REDACTED] please do not hesitate to reach out to me. I am confident he will be an excellent addition to the community at [REDACTED].
